SENIOR SWIMMING SPORTS

A big [Thank You](#) to all the parents and family who came and supported your children during our swimming sports last Friday. A great day was had by all.

BREAKFAST CLUB

Kickstart breakfast club is up and running again this year. This will continue to be on **Tuesday, Wednesday and Thursday** mornings from **7:45am-8:20am**. The Kickstart Breakfast Club is available to all students and we encourage you to send your child in the morning to eat breakfast with their peers.

Remember that breakfast is one of the most important meals for students to help them with energy and learning during the day.

EASTER RAFFLE

We are holding an Easter Raffle this term. We would appreciate each family to contribute Easter Eggs for the prize draw. If you are unable to sell the raffle tickets, please return them to school as soon as possible. The prizes will be drawn on Thursday 13 April and all winners will be notified by phone.

PUBLIC HEALTH NURSE

Just a reminder that **Libby**, our Public Health Nurse, visits the school each week on a **Tuesday** and receives referrals from teachers and parents. She can assess and treat minor skin infections such as school sores and infected eczema and swab sore throats as part of Rheumatic fever prevention. She can also offer advice on health and link you with certain community services.

If you would like your child to be seen by Libby, please leave a message with the teacher or office staff. You can get a hold of Libby through the school office if you would like to speak with her.

BIKES AT SCHOOL

Please advise your children to place their bikes in the bike stand away from doorways and thoroughfares for the safety of others. Also, it would be a good idea to have bikes and scooters locked to the stand during the day.

LOST PROPERTY

Any clothing, hats or shoes found on the playground are dropped off into our lost property area, in the entrance to our library. Please come and check lost property. Named clothing usually finds its way back to the owner so please help us by naming your children's clothing clearly.

KIA ORA WHANAU

Does anyone have any electronic or electrical goods that are no longer in use?

Our Junior children would love to tinker and pull them apart to see what makes them tick!

If you have any unwanted items like this, please drop them into Room 21.

Thank you

Whaea Jan, Whaea Mel, Matua Joseph

A FREE COURSE ABLE TO BE UNDERTAKEN AT HOME

Programme overview:

He Papa Tikanga will give you insight into a Māori worldview. Learn about traditions, concepts, values, protocols, and understand why Māori do things a certain way. Many Maori and Pakeha Whanau have used this knowledge as a stepping stone to further development.

Find out how to apply some of these concepts in your home, workplace and community. Challenge your thinking and reflect on your own beliefs and values and how they relate to those of other cultures.

Learn from home at your own pace with amazing resources and regular visits from a kaitiaki (support person). <https://www.twoa.ac.nz/Nga-Akoranga-Our-Programmes/study-from-home/Certificate-in-Tikanga-Maori-Homebasedh>
