**“HAPPY HOLIDAY EVERYONE”**

## **MESSAGE FROM THE PRINCIPAL**

Another busy term is nearly over. Amongst other things,

- ✓ we have cooked a hangi for the whole school,
- ✓ taken Year 3s and up to the zoo (3 trips!),

- ✓ won a league tournament,
- ✓ held school cross-country runs (with thanks to the Whangarei District Council for providing a water feature),
- ✓ worked on Mau Rakau,
- ✓ learned how to deal with aggressive dogs,
- ✓ trialled an NZ science test,
- ✓ learned about how childhood trauma can affect children,
- ✓ visited the Public Library,
- ✓ chosen books to receive over the school holidays,
- ✓ and learnt some music and art and maths and reading and phys ed and writing and te reo and social sciences and health and science and technology!

Please help your children to stay safe and well during the holidays: there are cases of chicken pox and tummy bugs around already.

See you all next term,

Pat Newman

Principal

## **GLASSES**

The Essilor Foundation recently screened most of our Year 4s, 5s, and 6s to see if they need further testing, and possibly glasses. Forms have gone home this week with the children that needed further testing. If your child has brought a form home, please fill it in and return it to the school office by Friday. If further testing shows that glasses are needed, then they are provided free.

**THERE IS NO BASKETBALL TODAY 27<sup>th</sup> September**

## **TE AHURUTANGA END OF YEAR CELEBRATION**

**SATURDAY DECEMBER 09**

We will be ending our year with a get together to celebrate the learning that has taken place. A Saturday has been chosen so that whanau are not rushed to attend after work and to take advantage of the warmer weather (hopefully) for our shared kai. More details will follow but please keep this date free. All are invited to attend.

## HORA HORA SCHOOL IS Skipping FOR A HEALTHY HEART

Thank you for supporting our annual skipping for a healthy heart day. The children did well and really enjoyed their day. The generosity from all the sponsors is greatly appreciated.

### KICKSTART BREAKFAST CLUB

I would like to take this opportunity to thank the wonderful volunteers that help make this possible. They give up their time to provide a warm, friendly environment, so our tamariki enjoy a full-tummy and a friendly smile each Tuesday, Wednesday and Thursday morning.

We are always looking for extra helpers so if you think you may be able to help, please contact Tracey Alison in room 10 at school.

Nga Mihi,

Tracey Alison

### MESSAGES FOR STUDENTS

If after school plans change for your child/ren during the day, please phone the office before 2.30pm to enable office staff to ensure they get the message. If you call after this time they may not get the message. If you can avoid calling in with changes after this time it would be greatly appreciated. Thank you.

## DONATIONS OF FOOD PLEASE

From time to time some of our school families need a little extra help. We are asking for donations of food so that we have food boxes available for these families. Non-perishable items can be left in the box which is in the office foyer. Thank you for your assistance in this matter.
