READING TOGETHER

Reading Together final session is on tonight in the staffroom. You are invited to come before 6pm to enjoy a cuppa and a lovely slice of homemade cake. We are sure you will find it a great help for yourself and your child(ren), as you support their education.

PARENTS/CAREGIVERS OF YEAR SIXES FOR WIS IN 2019

Reminder: Enrolments for WIS next year should be completed by 27 September, particularly for those students seeking a place in a bilingual or mandarin class as these may fill quickly.

WIS enrolments are now completed online. The access link and code are available via the WIS website enrolments tab <http://www.wis.ac.nz/application.html>.

Parents/caregivers who were unable to make the Parent Information Evening or Open Days last month, are invited to contact the WIS office to arrange a time for a guided tour. They have computer kiosks set up at reception so caregivers can complete the enrolment while visiting.

TUMMY BUG

We have had several cases of a nasty tummy bug in the school. To prevent its spread please make sure your children ...

- Wash and dry, or sanitize their hands before eating and after going to the toilet
- Stay at home if they are sick

Children with tummy bugs can get dehydrated very quickly, so please get them to the doctor if they can't keep water down.

With so many children becoming unwell during school time, please double check we have your correct contact details so you can be contacted to come and collect your children.

NETBALL UNIFORMS

Please send your child's uniform back as soon as possible, clean and in a named plastic bag. Thank you to those who have returned their uniforms thus far. *The first team to return ALL uniforms will receive an ice block each.*

TE MANU AUTE PLAYGROUP

Te Manu Aute playgroup is open from Tuesday to Friday 9 – 12.30pm in Room 23. We welcome all

parents with 4-5 year olds who are ready to make the transition from home to school. We aim to provide a place for parents, children and their younger siblings to meet on a regular basis.

NITS

We have a serious outbreak of head lice at the moment. We no longer have the Nit Buster programme here at school.

PLEASE check your children's hair regularly and treat them. One untreated, infested child continuously infects his/her classmates.

We have just ordered more treatment lotion and combs from KidsCan so if you need some ring the school and we can send it home with your child.
